

LEONARD H GOLDER FOR MIDDLESEX COUNTY REGISTRAR OF PROBATE

Dear Town/Ward/Committee Member/Delegate:

I am a candidate for Registrar of Probate for Middlesex County

The Probate Court is truly the People's Court of our judicial system. The areas it deals with include estates, trusts, adoptions, guardianships, divorces

I have the background, experience, skills, and grasp of the needs of the position

I have work experience in law, public management and social services

I have been a practicing attorney for over 25 years

I served for 2 years Welfare managing a staff of 25 paralegals and clerical workers

I worked for 8 years as a social service worker in several community agencies including the South Boston Court Clinic

I have over 17 years experience in local government

I currently serve on the Planning Board and Cable TV Committee in my community

I served previously as a Selectman and Library Trustee and was a member of the Middlesex County Advisory Board.

I am a longtime Democratic activist:

I have served for 14 years as Chair of the Stow Democratic Committee

I am a former Treasurer and Ward Chair of the Chelsea Democratic Committee

The Middlesex Probate Court needs:

A more fully automated system

A system that assures public access and client confidentiality

A management system in which all the stakeholders-personnel, judges, attorneys, and parties-can operate cooperatively

I ask for your vote at the Caucus. Sincerely, Len Golder
